

Recommended route for customers using wheelchairs and baby strollers

*shortest route from the station gates

■ If using Nerima Station on Toei Oedo Line

Route		
1		From the gates of Nerima Station on Toei Oedo Line, head in the direction of the ticket purchasing area at the left.
2		Go to the first floor via the elevator heading to ground level.
3		Turn left from the elevator, then go straight. * Do not cross the road.
4		Go under the Nerima Station girder bridge and continue going straight.
5		Go over the pedestrian crossing and continue going straight.
6		Go straight along the footpath (the braille blocks). * The route does not enter the park. There is a slope inside the park, but the route goes around that.
7		Turn left when you see the building. Go straight to arrive at the front entrance to the Nerima Culture Center.
8		When you enter the building, the reception is on your right. * The entrance on the left leads to the reception for the Small Hall (Tsutsuji Hall). * For the reception for the Main Hall(Kobushi Hall), go left and take the elevator at the right of the entrance to the Small Hall up to the second floor.
